LORI GLASGOW
EXECUTIVE OFFICER

Dear Commissioners:

**AWARD ONE-YEAR CONTRACTS FOR ENVIRONMENTAL SITE ASSESSMENT SERVICES TO
MULTIPLE VENDORS
(ALL DISTRICTS) (3 VOTE)**

SUBJECT

This letter recommends approval of one-year Contracts, in the aggregate amount of \$200,000, with Rincon Consultants, Inc., Converse Consultants, Inc., and Geocon West, Inc., (hereinafter, "Contractors"), to provide environmental site assessment services to the Community Development Commission (Commission) on a project-by-project basis. The Contracts may be extended for four one-year increments, at the same aggregate amount of \$200,000 per year.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that approval of the Contracts for environmental site assessment (ESA) services is not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the action will not have the potential for causing a significant effect on the environment.
2. Approve and authorize the Executive Director, or his designee, to execute and, if necessary, terminate one-year Contracts with Rincon Consultants, Inc., Converse Consultants, Inc., and Geocon West, Inc., to provide ESA services for the implementation of Countywide housing developments, public improvements, and other federal and locally-funded projects, using up to \$200,000 in Community Development Block Grant (CDBG) administrative funds allocated for Fiscal Year (FY) 2016-2017 by the U.S. Department of Housing and Urban Development (HUD) and other funds included in the Commission's approved FY 2016-2017 budget for this purpose.
3. Authorize the Executive Director, or his designee, to execute up to four one-year extensions to the

Contracts, at the same annual amount of up to \$200,000, contingent upon satisfactory performance and continued funding, following approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Contractors will provide ESA services by conducting a variety of environmental site assessments and geotechnical studies as required by the National Environmental Policy Act (NEPA), CEQA, HUD environmental regulations as specified in 24 Code of Federal Regulations (CFR) Part 58, and other related laws and authorities.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The Contracts will be funded with \$200,000 in CDBG administrative funds allocated by HUD for FY 2016-2017 and other funds included in the Commission's approved FY 2016-2017 budget. They may be renewed for a maximum of four additional years, in one-year increments, at the same rate of compensation, contingent upon satisfactory performance and continued CDBG funding from HUD. Funds for years two through five of the Contracts, if extended, will be requested in the Commission's annual budget approval process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Commission administers the CDBG Urban County Program, the Home Investment Partnerships (HOME) Program, and other HUD and locally-funded programs on behalf of the County of Los Angeles, including the Housing Authority of the County of Los Angeles. The programs operate within the unincorporated areas of the County and participating cities. As a recipient of federal funds, the Commission is responsible for preparing environmental documents as required by NEPA and by HUD. The Commission is also responsible for compliance with CEQA for projects in the unincorporated areas of the County.

The Contractors share the yearly amount of compensation providing ESA services and are not guaranteed any amount of work under these Contracts. The Commission in its sole discretion shall determine and assign work on an as needed basis.

Services to be provided under the Contracts include, but are not limited to, the following: Phase I and Phase II Environmental Site Assessments; site remediation plans and activities; air quality monitoring; hydrologic studies; geophysical surveys; and any other required geotechnical studies, as well as reports associated with the above.

The services are being federally-funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, the Contractors will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The attached sample Contract is being presented in substantially final form, and will be effective following approval as to form by County Counsel and execution by all the parties.

ENVIRONMENTAL DOCUMENTATION

This action is exempt from the provisions of the NEPA pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(3) because it involves administrative activities that will not have a physical impact or result in any physical changes to the environment. This action is also not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS

On March 7, 2016, the Commission issued a Request for Statement of Qualifications (RFSQ) to identify up to three firms to provide ESA services for a one-year period. Announcements of the RFSQ's availability were posted on the Commission's and the County Office of Small Business websites (WebVen) for 30 days. By the deadline of April 7, 2016, six firms submitted Statements of Qualifications (SOQs). One firm was disqualified for not meeting Section 3 requirements. The firm requested a review, and the disqualification was upheld. The five remaining firms were Rincon Consultants, Inc., Converse Consultants, Inc., Geocon West, Inc., E2Managetech, Inc., and Frey Environmental, Inc. As stated above, Rincon Consultants, Inc., Converse Consultants, Inc., Geocon West, Inc. were selected as the most qualified to provide ESA services for the Commission.

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

These Contracts will ensure that the County complies with applicable federal and state environmental laws and regulations.

Respectfully submitted,

On April 7, 2016, in response to the Commission's Request for Statement of Qualifications, the Contractor submitted a bid to furnish the hereinafter-described environmental site assessment services to the Commission.

TERMS AND CONDITIONS

2. TERM

This Contract shall commence on as of the day and year first above written, and shall remain in full force and effect for twelve (12) months until June 30, 2017, unless sooner terminated as provided herein. This Contract may be extended in one-year increments, for a total of four (4) additional years, at the sole discretion of the Commission.

4. COMPENSATION

A. The Contractor shall submit to the Commission on the 1st day of each month an invoice on a form approved by the Commission for services rendered, as described in Attachment A, Statement of Work. Upon receipt and approval, the Commission will pay the Contractor within thirty (30) days of receipt and approval of the invoice in accordance with the negotiated fee. The yearly amount of compensation under this Contract shall not exceed Two Hundred Thousand Dollars (\$200,000), and the total amount of compensation under this Contract will not exceed Two Hundred Thousand Dollars (\$200,000), which shall include all related expenses. The Contractor is one of a number of contractors sharing the yearly amount of compensation by providing environmental site assessment services and is not guaranteed any amount of work under this Contract. The Commission in its sole discretion shall determine and assign work on an as-needed basis.

- B. The Contractor shall be paid in accordance with the Commission's standard accounts payable system.
- C. The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor's duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the Commission's express prior written approval.
- D. The Contractor shall maintain a system of record keeping that will allow the Contractor to determine when it has incurred seventy-five percent (75%) of the total contract authorization under this Contract. Upon occurrence of this event, the Contractor shall send written notification to the Commission at the address herein provided in Section 40, Notices in this Contract.
- E. The Contractor shall have no claim against the Commission for payment of any money or reimbursement, of any kind whatsoever, for any service provided by the Contractor after the expiration or other termination of this Contract. Should the Contractor receive any such payment, it shall immediately notify the Commission and shall immediately repay all such funds to the Commission. Payment by the Commission for services rendered after expiration or termination of this Contract shall not constitute a waiver of the Commission's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

5. SOURCE AND APPROPRIATION OF FUNDS

The Commission's obligation is payable from funds appropriated through the U.S. Department of Housing and Urban Development (HUD) and other local funds, for the purpose of this Contract. All funds are appropriated every fiscal year beginning July 1.

In the event this Contract extends into succeeding fiscal years and funds have not been appropriated, this Contract will automatically terminate as of June 30 of the current fiscal year. The Commission will endeavor to notify the Contractor in writing within ten (10) days of receipt of non-appropriation notice.

6. TERMINATION FOR IMPROPER CONSIDERATION

The Commission may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract, if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County office, employee or agent with the intent of securing this Contract or

securing favorable treatment with respect to the award, amendment or extension of this Contract of the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the Commission shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

The Contractor shall immediately report any attempt by a Commission officer or employee to solicit such improper consideration. The report shall be made either to the Commission's Executive Director or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

7. ASSIGNMENT BY CONTRACTOR

The Contractor shall not assign its rights or delegate its duties under the Contract, or both, whether in whole or in part, without the prior written consent of the Commission, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, Commission consent shall require a written amendment to the Contract, which is formally approved and executed by the parties. Any payments by the Commission to any approved delegate or assignee on any claim under the Contract shall be deductible, at the Commission's sole discretion, against the claims, which the Contractor may have against the Commission. However, the Commission reserves the right to assign this Contract to another public agency without the consent of the Contractor.

Shareholders, partners, members, or other equity holders of the Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is affected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of the Commission in accordance with applicable provisions of this Contract.

Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the Commission's express prior written approval, shall be a material breach of the Contract which may result in the termination of the Contract. In the event of such termination, the Commission shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8. CONFIDENTIALITY OF REPORTS

The Contractor shall keep confidential all reports, information, and data received, prepared or assembled pursuant to performance hereunder. Such information shall not be made available to any person, firm, corporation, or entity without the prior written consent of the Commission.

9. SUBCONTRACTING

The Contractor may subcontract only those specific portions of work allowed in the original specifications covered by this Contract with prior written approval by the Commission.

The Contractor shall not subcontract any part of the work covered by this Contract or permit subcontracted work to be further subcontracted without prior written approval by the Commission.

10. INSURANCE

Without limiting the Contractor's duties to indemnify and defend as provided in this Contract, the Contractor shall procure and maintain, at the Contractor's sole expense, the insurance policies described herein. Such insurance shall be secured from carriers admitted in California, or authorized to do business in California. Such carriers shall be in good standing with the California Secretary of State's Office and the California Department of Insurance. Such carriers must be admitted and approved by the California Department of Insurance or must be included on the California Department of Insurance List of Approved Surplus Line Insurers (hereinafter "LASLI"). Such carriers must have a minimum rating of or equivalent to A:VIII in A.M. Best's Insurance Guide. The Contractor shall, concurrent with the execution of this Contract, deliver to the Commission certificates of insurance with original endorsements evidencing the insurance coverage required by this Contract. If original endorsements are not immediately available, such endorsements may be delivered subsequent to the execution of this Contract, but no later than thirty (30) days following execution of this Contract. The certificates and endorsements shall be signed by a person authorized by the insurers to bind coverage on its behalf. The Contractor shall provide the Commission with certificates of insurance and applicable endorsements each year during the term of this Contract to evidence its annual compliance with the insurance requirements set forth herein. The Commission reserves the right to require complete certified copies of all policies at any time. Said insurance shall be in a form acceptable to the Commission and all deductible amounts must be provided in advance to the Commission for its approval. Any self-insurance program and self-insured retention must be separately approved by the Commission. In the event such insurance does provide for deductibles or self-insurance, the Contractor agrees that it will defend, indemnify and hold harmless the Commission, Housing Authority of the County of Los Angeles ("Housing Authority"), County of Los Angeles ("County"), and their elected and appointed officers, officials, representatives, employees, and agents in the same

manner as they would have been defended, indemnified and held harmless if full coverage under any applicable policy had been in effect. Each policy shall be endorsed to stipulate that the Commission be given at least thirty (30) days' written notice in advance of any cancellation or any reduction in limit(s) for any policy of insurance required herein. The Contractor shall give the Commission immediate notice of any insurance claim or loss which may be covered by insurance. The Contractor represents and warrants that the insurance coverage required herein will also be provided by any entities with which the Contractor contracts, as detailed below. All certificates of insurance and additional insured endorsements shall carry the following identifier:

Name of Contractor

The insurance policies set forth herein shall be primary insurance and non-contributory with respect to the Commission. The insurance policies shall contain a waiver of subrogation for the benefit of the Commission. Failure on the part of the Contractor, and/or any entities with which the Contractor contracts, to procure or maintain the insurance coverage required herein may, upon the Commission's sole discretion, constitute a material breach of this Contract pursuant to which the Commission may immediately terminate this Contract and exercise all other rights and remedies set forth herein, at its sole and absolute discretion, and without waiving such default or limiting the rights or remedies of the Commission, procure or renew such insurance and pay any and all premiums in connection therewith and all monies so paid by the Commission shall be immediately repaid by the Contractor to the Commission upon demand including interest thereon at the default rate. In the event of such a breach, the Commission shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. The Contractor's failure to assert or delay in asserting any claim shall not diminish or impair the Commission's rights against the Contractor or the insurance carrier.

When Contractor, or any entity with which the Contractor contracts, is naming the Commission as an additional insured on the general liability insurance policy set forth below, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 11 85. In the alternative and in the Commission's sole and absolute discretion, it may accept both CG 20 10 10 01 and CG 20 37 10 01 in place of CG 20 10 11 85.

The following insurance policies shall be maintained by the Contractor and any entity with which the Contractor contracts for the duration of this Contract, unless otherwise set forth herein:

- (ii) Insurance must be maintained and evidence of insurance must be provided for the duration of this Contract or for five (5) years after completion of the work or services that are the subject of this Contract, whichever is greater;
- (iii) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of this Contract, then the Contractor must purchase an extended period coverage for a minimum of five (5) years after completion of work or services that are the subject of this Contract;
- (iv) A copy of the claims reporting requirements must be submitted to the Commission for review; and

11. INDEMNIFICATION

The Contractor shall indemnify, defend and hold harmless the Commission, Housing Authority, County, and each of their elected and appointed officers, officials, representatives, employees, and agents from and against any and all liability, demands, damages, claims, causes of action, expenses, and fees (including reasonable attorney's fees and costs and expert witness fees), including, but not limited to, claims for bodily injury, property damage, and death (hereinafter collectively referred to as "Liabilities"), that arise out of, pertain to, or relate to the Contractor's acts, errors, or omissions, except to the extent caused by the sole negligence or willful misconduct of the Commission, Housing Authority, or County. This indemnification provision shall remain in full force and effect and survive the termination and/or expiration of this Contract. The Contractor agrees to require any and all entities with which it contracts to agree to and abide by the above mentioned indemnification requirements in favor of the Commission, Housing Authority, and County, as applicable to each of them.

12. COMMISSION'S QUALITY ASSURANCE PLAN

The Commission will evaluate the Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing The Contractor's compliance with all contract terms and performance standards. The Contractor's deficiencies, which the Commission determines are severe or continuing and that may place performance of the Contract in jeopardy, if not corrected, will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Commission and the Contractor. If improvement does not occur consistent with the corrective measure, the Commission may terminate this Contract, pursuant to Paragraph 13 or 14, or impose other remedies as specified in this Contract.

A performance review will be conducted no later than ninety (90) days prior to the end of the first and second years of this Contract to evaluate the performance of the Contractor. Based on the assessment of the performance review, as determined by the Commission in its sole discretion, written notification will be given to the Contractor whether this Contract will be terminated at the end of the current year or will be continued into the next contract year.

13. TERMINATION FOR CONVENIENCE

The Commission reserves the right to cancel this Contract for any reason at all upon thirty (30) days prior written notice to the Contractor. In the event of such termination, the Contractor shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation if any, shall be adjusted in such termination.

14. TERMINATION FOR CAUSE

This Contract may be terminated by the Commission upon written notice to the Contractor for just cause (failure to perform satisfactorily) with no penalties incurred by the Commission upon termination or upon the occurrence of any of the following events in A, B, C, or D:

- A. Should the Contractor fail to perform all or any portion of the work required to be performed hereunder in a timely and good workmanlike manner or properly carry out the provisions of this Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Contractor, and should the Contractor neglect or refuse to provide a means for satisfactory compliance with this Contract and with the direction of the Commission within the time specified in such notice, the Commission shall have the power to suspend or terminate the operations of the Contractor in whole or in part.
- B. Should the Contractor fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Contract, or if the work to be done under this Contract is abandoned for more than three (3) days by the Contractor, then notice of deficiency thereof in writing will be served upon the Contractor by the Commission. Should the Contractor fail to comply with the terms of this Contract within five (5) days, upon receipt of said written notice of deficiency, the Executive Director of the Commission shall have the power to suspend or terminate the operations of the Contractor in whole or in part.
- C. In the event that a petition of bankruptcy shall be filed by or against the Contractor.
- D. If, through any cause, the Contractor shall fail to fulfill, in a timely and proper manner, the obligations under this Contract, or if the Contractor shall violate any of the covenants, Contracts, or stipulations of this Contract, the Commission shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Contractor under this Contract shall, at the option of the Commission become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

order to mitigate the economic burden otherwise imposed upon the taxpayers of the County of Los Angeles.

As required by the Commission Child Support Compliance Program and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall, during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 United States Code (USC) Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department (CSSD) Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 15, "*CONTRACTOR'S WARRANTY OF ADHERENCE TO THE COMMISSION'S CHILD SUPPORT COMPLIANCE PROGRAM*" shall constitute default under this contract. Without limiting the rights and remedies available to THE Commission under any other provision of this contract, failure of The Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the Commission may terminate this contract pursuant to Paragraph 14 - "TERMINATION FOR CAUSE" and pursue debarment of the Contractor, pursuant to the Commission Policy.

17. POST MOST WANTED DELINQUENT PARENTS LIST

The Contractor acknowledges that the County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. The Contractor understands that it is the County's and the Commission's policy to strongly encourage all Contractors to voluntarily post an entitled "L.A.'s Most Wanted: Delinquent Parents" poster in a prominent position at the Contractor's place of business. The CSSD will supply the Contractor with the poster to be used.

18. INDEPENDENT CONTRACTOR

This Contract does not, is not intended to, nor shall it be construed to create the relationship of agent, employee, or joint venture between the Commission and the Contractor.

19. EMPLOYEES OF THE CONTRACTOR

Workers' Compensation: The Contractor understands and agrees that all persons furnishing services to the Commission pursuant to this Contract are, for the purposes of

Workers' Compensation liability, employees solely of the Contractor. The Contractor shall bear sole responsibility and liability for providing Workers' Compensation benefits to any person for injuries arising from an accident connected with services provided to the Commission under this Contract.

Professional Conduct: The Commission does not and will not condone any acts, gestures, comments, or conduct from the Contractor's employees, agents, or subcontractors which may be construed as sexual harassment or any other type of activities or behavior that might be construed as harassment. The Commission will properly investigate all charges of harassment by residents, employees, or agents, of the Commission against any and all the Contractor's employees, agents or subcontractors providing services for the Commission. The Contractor assumes all liability for the actions of the Contractor's employees, agents, or subcontractors and is responsible for taking appropriate action after reports of harassment are received by the Contractor.

The Contractor certifies under penalty of perjury under the laws of the State of California that the Contractor will comply with the requirements of the Drug-Free Workplace Act of 1990.

21. SAFETY STANDARDS AND ACCIDENT PREVENTION

The Contractor shall comply with all applicable federal, state, and local laws governing safety, health, and sanitation. The Contractor shall provide all safeguards, safety devices, and protective equipment and take any other needed actions, as its own responsibility, reasonably necessary to protect the life and health of employees on the job and the safety of the public and to protect property in connection with the performance of this Contract.

22. COMPLIANCE WITH LAWS

The Contractor agrees to be bound by all applicable federal, state, and local laws, regulations, and directives as they pertain to the performance of this Contract, including but not limited to, the Housing and Community Development Act of 1974, as amended by the Cranston-Gonzalez National Affordable Housing Act, 1990, and the 24 CFR Part 85, and the Americans with Disabilities Act of 1990. - F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this Contract for default, and debarment or suspension from future HUD-assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this Contract. 29. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

30. USE OF RECYCLED-CONTENT PAPER PRODUCTS

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.

31. CONTRACTOR RESPONSIBILITY AND DEBARMENT

- A. A responsible contractor is a contractor, consultant, vendor, or operating agency who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the Commission, Housing Authority, and County to conduct business only with responsible contractors.
- B. The Contractor is hereby notified that if the Commission acquires information concerning the performance of the Contractor on this or other contracts which

indicates that the Contractor is not responsible, the Commission may, in addition to other remedies provided in the contract, recommend that the Contractor be debarred from bidding or proposing on, or being awarded, and/or performing work on Commission contracts for a specified period of time, which generally will not to exceed five years but may exceed five years or be permanent if warranted by circumstances, and terminate any or all existing contracts the Contractor may have with the Commission.

- C. The Commission may recommend that the Board of Commissioners debar a contractor, consultant, vendor or operating agency if the Board of Commissioners finds, in its discretion, that the contractor, consultant, vendor, or operating agency has done any of the following: (1) violated any term of a contract with the Commission, Housing Authority, or County, or a nonprofit corporation created by the Commission, Housing Authority, or County (2) committed any act or omission which negatively reflects on the its quality, fitness or capacity to perform a contract with the Commission, Housing Authority, or County or any other public entity, or a nonprofit corporation created by the Commission, Housing Authority, or County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the Commission, Housing Authority, County, or any other public entity.
- D. If there is evidence that the Contractor may be subject to debarment, the Commission will notify the Contractor in writing of the evidence, which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Commission shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.
- F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contract Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
- G. If a Contractor has been debarred for a period longer than five years, that the Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the

period of debarment or terminate the debarment. The Commission may, in its discretion, recommend that the Board of Commissioners reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the Commission.

- H. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- I. These terms shall also apply to subcontractors and subconsultants of County, Commission, or Housing Authority contractors, consultants, vendors and operating agencies.

32. COMPLIANCE WITH JURY SERVICE PROGRAM

- A. Unless the Contractor has demonstrated to the Commission satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program or that the Contractor qualifies for an exception to the Jury Service Program, The Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- B. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the Commission, Housing Authority, or County or a subcontract with a Commission, Housing Authority, or

Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the Commission under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.

- C. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, The Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and The Contractor shall immediately notify Commission if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Commission may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the Commission's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
- D. The Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, Commission may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future Commission, Housing Authority, or County contracts for a period of time consistent with the seriousness of the breach.

33. ACCESS AND RETENTION OF RECORDS

The Contractor shall provide access to the Commission, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

Upon execution of this Contract and during its term, as appropriate, the Contractor shall, disclose in writing to the Commission any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Commission's interest and the interests of the third parties.

35. SEVERABILITY

In the event that any provision herein is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

36. INTERPRETATION

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

37. WAIVER

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

38. PATENT RIGHTS

The Commission will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

39. COPYRIGHT

No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. All such documents become the property of the Commission and the Commission holds all the rights to said data.

The Department of Children and Family Services of the County of Los Angeles will supply the Contractor with the poster to be used.

43. CONTRACTOR'S CHARITABLE CONTRIBUTIONS COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring The Contractors to complete the Charitable Contributions Certification as included in *Attachment C – Required Contract Forms*, the Commission seeks to ensure that all Commission contractors that receive or raise charitable contributions comply with California law in order to protect the Commission and its taxpayers. 46. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph "CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM" shall constitute default under this Contract. Without limiting the rights and remedies available to the Commission under any other provision of this Contract, failure of the Contractor to cure such default within 10 days of notice shall be grounds upon which Commission may terminate this contract and/or pursue debarment of the Contractor, pursuant to County's Defaulted Property Tax Reduction Program pursuant to Los Angeles County Code, Chapter 2.206.
